### Description

#### Cookie Banner Pro (GDPR Cookie Consent Manager)

Cookie Banner Pro is a lightweight and fully compliant GDPR cookie consent extension for Joomla 5. It offers a modern, elegant and non-intrusive way to inform visitors about cookie usage while giving them full control over their privacy preferences.

Developed by the [JoomFlix engineering team](#), this extension combines professional design with strict compliance, customizable layouts and complete multilingual support — making it one of the most advanced cookie solutions available for Joomla.

### ? Main Features

- ? Fully GDPR-compliant cookie notification system
- ? Modern banner layout with customizable text & colors
- ? Modal mode for high-visibility consent requests
- ? "Accept", "Decline", and "Preferences" buttons
- ? Built-in cookie category management (Essential, Analytics, Marketing, etc.)
- ? Remembers user selections for returning visitors

- ? Works seamlessly with caching & optimization plugins
- ? Supports 12 languages out of the box
- ? Lightweight footprint — minimal scripts, zero bloat

## ? Why Choose Cookie Banner Pro

- ? Ensures GDPR compliance without complexity
- ? Looks beautiful on any Joomla template (Helix, T4, Gantry, YOOtheme, etc.)
- ? Allows users to control cookies in a transparent way
- ? Extremely fast — optimized for performance and Core Web Vitals
- ? Easy configuration panel with real-time preview
- ? Bundles JoomFlix License & Update Server for seamless updates
- ? Ideal for professional, corporate and ecommerce websites

Cookie Banner Pro for Joomla 5

A modern GDPR-compliant cookie consent — lightweight, elegant and user-friendly.
